OCCUPANCY AGREEMENT

**SMOKING IS PROHIBITED IN ALL OUTDOOR AND INDOOR AREAS
OF BELMONT CHAMBERS, INCLUDING INSIDE THIS UNIT. A
VIOLATION OF THE NO SMOKING RULE SHALL BE A MATERIAL
VIOLATION OF THE OCCUPANCY AGREEMENT**

1. PARTIES AND DWELLING UNIT

The parties to this Agreement are the Belmont Chambers Cooperative, referred to as the "Landlord", and

-----, referred to as the "Resident". The Landlord leases to Resident the Apartment No.____, one of the 16 apartments in the Belmont Chambers building at 43 Symphony Road in the Fenway District of the City of Boston.

The Landlord is a limited equity Cooperative Corporation and has been formed for the purpose of acquiring and operating the Belmont Chambers building as housing run by its residents with the intention that its stockholders have the right to occupy apartments under the terms of this agreement. The Cooperative is run by a Board of Directors who are residents of the Building and who are elected by the residents.

The Resident is an owner and holder of a certificate of stock in the Cooperative with the true intention to reside in Belmont Chambers.

2. TERM

The initial term of this Agreement will begin on the effective date of this Agreement and end on December 31 of the year following the date of this Agreement. After the initial term ends, this Agreement will continue for successive terms of one year each unless terminated by the Resident upon- four months' written notice prior to the end of the initial or any successive term. The Agreement may be terminated during the initial term or any extension thereof, by the Resident on four months' written notice, or by the Landlord on one month's written notice, as provided in Paragraphs 16 and 17 of this Agreement.

3. MONTHLY CARRYING CHARGES

The Resident agrees to pay monthly to the Landlord the carrying charges (that is, the basic rent) which initially are \$_____ per month. The Resident agrees to pay this amount by the first day of each month, in advance, by sending a check or money order to the Landlord at c/o Belmont Chambers Cooperative, 43 Symphony Rd., Boston MA 02115. The check or money order should be made out to "Belmont Chambers Cooperative". The Landlord may change the place for payment by notice to Resident.

Each resident pays a proportionate share of the Building's expenses and other financial obligations as determined by the Board of Directors. The proportion of expenses paid by each resident is determined by the size of the Apartment leased by each resident. Initial allocation of Monthly Carrying Charges are roughly proportionate to the numbers of shares of stock appurtenant to different Apartment sizes, but this maybe changed if the Board of Directors determines that a different allocation basis would be more appropriate. Some examples of the Building's expenses are: mortgage principal and interest; taxes and insurance; repairs and maintenance; water and sewer charges; management, administrative and all other operating expenses; payments to the Landlord's partners; and general operating and replacement reserves. The amount each resident pays per month is called the Monthly Carrying Charge.

It is specifically understood that the Landlord, acting through the Board of Directors, has the power to determine the amount of the Monthly Carrying Charge. **The Landlord has the power to increase the amount whenever it is necessary to do so to cover the expenses of the Building.**

The Landlord agrees to give the resident at least one (1) month written notice before implementing any increase.

4. CHARGES FOR LATE PAYMENTS AND RETURNED CHECKS

If the Resident does not pay the full amount of the Monthly Carrying Charges shown in Paragraph 3 by the tenth of the month, the Landlord will collect a late fee of \$25 or such other amount as may be decided from time to time by the Board of Directors for each month beyond the tenth that the Monthly Carrying Charges are not paid in full. The Landlord may collect

a returned check fee of \$15 on the second or any additional time a check from the Resident is not honored for payment (bounces). The charges discussed in this paragraph are in addition to the regular Monthly Carrying Charges.

The Resident specifically understands the Landlord may also terminate this Agreement for non-payment or repeated late payment of Monthly Carrying Charges in addition to collecting the late charges discussed above.

5. MANAGEMENT, ADMINISTRATION AND TAXES

The Landlord agrees to provide necessary management, administration and operation of Belmont Chambers; and to pay for taxes and assessments on the Building.

6. REPAIRS AND MAINTENANCE

a. **By Resident:** The Resident agrees to repair and maintain his or her Apartment and the building at his or her own expense as specified below:

- (1) Keep his or her Apartment clean and in sanitary condition.
- (2) Remove garbage and trash from the building in a clean and safe manner and to place it by the edge of the alley behind the building for rubbish removal no earlier than 5 p.m. the day prior to rubbish removal.
- (3) Make any repairs or maintenance necessitated by his or her own negligence, misuse or carelessness or by the actions of his or her family or guests. This includes repairing damage resulting from his or her repairs or improvements.
- (4) Be responsible for any redecoration of his or her Apartment.
- (5) Make any repairs, maintenance or replacements required on the following:
 - a) window glass, screens, storm windows, shades and blinds; and

- b) locks and changes of cylinders; and
- c) any improvements or equipment installed by the Resident; and
- d) appliances.

b. **By Landlord:** The Landlord agrees to provide and pay for all necessary repairs, maintenance and replacements, except as specified in clause (a) of this Article.

c. **Right Of Landlord To Make Repairs At Resident's Expense:** In case the Resident fails to make the repairs, maintenance or replacement as specified in clause (a) of this Article in a manner satisfactory to the Landlord and pay for same, the Landlord may make them and charge the Resident for their cost. The Resident agrees to pay such costs within 30 days after receipt of the Landlord's written demand for them.

7. UTILITIES

The Resident agrees to pay directly to the utility companies for the use of electricity metered directly to Resident.

8. INSURANCE

The Landlord agrees to provide liability and property damage insurance for the Building in forms and amounts deemed satisfactory to the Landlord in its sole discretion. **But the Landlord specifically does not provide insurance on the Resident's belongings, which insurance the Resident may obtain and pay for directly.** The Landlord is not responsible for any loss or damage to the Resident's belongings except when the loss or damage is due to the negligence of the Landlord.

9. KITCHEN APPLIANCES

The Landlord agrees to provide a kitchen stove and refrigerator. The Resident is responsible for all repairs and replacements of these appliances. When the Resident vacates the Apartment, the Resident must leave a stove and refrigerator of equal or higher quality and condition as the one in the

Apartment at the beginning of the term of this Agreement.

10. CONDITION OF DWELLING UNIT

By signing this Agreement the Resident acknowledges that the Apartment is safe and in habitable condition and that all equipment in the Apartment is in working order.

The Resident further agrees to, at the end of his or her occupancy, vacate and return the Apartment to the Landlord in as good condition as when received, reasonable wear and tear excepted.

11. KEYS AND LOCKS

The Resident is responsible for all keys and locks for the Apartment. The Landlord will not accept any liability for keys left with its officers or agents.

12. RESTRICTIONS ON ALTERATIONS

The Resident agrees not to do any of the following without first obtaining the written permission of the Landlord or management:

- (a) remove any part of the appliances, fixtures or equipment in the Apartment;
- (b) attach or place any fixtures, porches, exterior alterations, signs or fences on the building(s) or yards;
- (c) install gas dryers or supplementary heaters in the Apartment; if the Resident's use of any appliance requires that the electrical service be upgraded, the Resident will pay the cost of the additional service;
- (d) place any aerials, antennas or other electrical connections on the building; or
- (e) make any other interior or exterior structural alterations in the Apartment; or
- (f) attach any fixture or object to the ceiling (this is on account of the special heating storage system in

the ceiling.)

The Resident understands that the Landlord will not be responsible for the repair or maintenance of any alterations, additions, fixtures and improvements.

If the Resident uses extreme colors or materials to decorate the interior of the Apartment, the Resident will be responsible for restoring the Apartment to conventional materials and colors as directed by the Landlord.

The Resident agrees to, at the end of his or her occupancy, return the Apartment to the Landlord along with all alterations, additions, fixtures, and improvements or restore the Apartment to as good condition as it was when he or she moved in, normal wear and tear excepted.

13. GENERAL RESTRICTIONS

The Resident must live in the Apartment and the Apartment must be used only as a private dwelling for the Resident and his or her household members who are listed in this Agreement. If the Resident wants to have other individual(s) reside in the Apartment and/or become a co-owner of his or her stock in the Cooperative, he or she must obtain the prior written approval of the Cooperative's Board of Directors. Such approval is not to be unreasonably withheld, but is subject to the limitations on transfers of interest, occupancy, subletting, assignment and rental charges and provisions for enforcement for the same contained in a certain Covenant between the Landlord and the Symphony Area Renaissance Trust which is recorded in the Suffolk Registry of Deeds in Book 14603, Page 255, and as it may be amended from time to time, which Covenant as amended is hereby incorporated into this Occupancy Agreement as if fully stated herein.

The Resident agrees not to:

- (a) sublet or assign the Apartment₁ or any part of the Apartment without the prior written consent of the Landlord;
- (b) have paying guests or boarders in the Apartment;
- (c) use the Apartment for unlawful purposes;
- (d) engage in or permit unlawful activities in the

Apartment, in the common areas or on the grounds;

- (e) have pets or animals of any kind (except seeing-eye dogs for blind residents), or
- (f) make or permit noises or acts that will disturb the rights or comfort of neighbors. The Resident agrees to keep the volume of any radio, phonograph, television or musical instrument at a level, which will not disturb the neighbors.

If the Landlord, the Apartment or the building suffers any liability or any damages as a result of any action by the Resident, his or her family or visitors, the Resident agrees to reimburse the Landlord and hold the Landlord harmless for the actual loss or damage.

13A. PROHIBITION OF SMOKING

- a) Effective immediately, smoking shall be prohibited everywhere on the property of Belmont Chambers including but not limited to inside all units; indoor and outdoor exclusive use areas; indoor and outdoor common areas; hallways and stairs; outdoor grounds and walkways; outdoor parking spaces; and the roof. No Resident shall smoke, or permit smoking by his or her occupant, visitor, agent, servant, tenant, guest, friend, family member, employee, contractor, cleaners or other invitee where smoking is prohibited.
- b) Smoking shall include the burning or combustion of any cigarette, cigar, pipe, or other product containing any amount of tobacco or like substance, including marijuana or any derivative thereof, cloves or any derivative, or any synthetic version of the said substances. The use of incense, candles, and so called e-cigarettes shall not be deemed smoking, nor shall the non-combustible ingestion of medical marijuana be deemed prohibited by these regulations, but the use of these items shall not be exempt from any other conditions and restrictions set forth in the Occupancy Agreement, Rules and Regulations and by law.
- c) Notwithstanding any limit on fines set forth in the Cooperative documents or amendments thereto, a first violation of the smoking policy may result in a warning; a second violation may result in a \$50 fine;

a third violation may result in a \$100 fine. The Board, in their discretion, may take other enforcement steps to address repeated or substantial violations. The Resident shall, in addition to any fine or other remedy, be liable for all direct or indirect or consequential damages arising out of any violation of this provision, including the cost for restoring finish surfaces or remedying smoke damage or odor within the unit or elsewhere. A violation of the no smoking prohibition or rule shall be a material violation of the Occupancy Agreement.

- d) The Cooperative's no smoking policy shall not make the Cooperative or any agent thereof, a guarantor of a resident's health; and the implementation and/or enforcement of the no smoking rule shall not, in any way, change any warranty of habitability or other duty of care owed to any resident or result in any liability of the Cooperative where none would exist in the absence of the smoking policy. The Cooperative and any agent thereof, specifically disclaims any implied or express warranties that the building, common areas, or any premises will have any higher or improved air quality standards; and cannot and does not warrant or promise that the building, common areas or any premises will be free from smoke during implementation and enforcement from migration of smoke from areas located off of the property or emission of smoke constituents from clothing worn by someone who smokes. If any part of this Paragraph [13A] is declared invalid or unenforceable, the balance shall not be affected thereby and shall continue in full force and effect.

14. ACCESS BY LANDLORD TO THE APARTMENT

The Landlord has the right to enter the Resident's Apartment for the purposes stated below. The Landlord agrees to enter the Apartment only during reasonable hours and to provide reasonable advance notice of its intent to enter, except when emergency situations make such notices impossible or except under paragraph (c) below.

- (a) The Resident agrees to permit the Landlord, its agents, employees, contractors, utility companies or other persons, when authorized by the Landlord, to

enter the Apartment for the purpose of making annual inspections, making reasonable repairs, investigating possible problems or emergency conditions (for example, a leak, utility outage, unauthorized alterations, etc.) and performing necessary extermination service. In the case of performing necessary extermination service, the Resident agrees to cooperate by properly preparing the unit in accordance with reasonable instructions from the Landlord.

- (b) After the Resident has given a notice of intent to move, the Resident agrees to permit the Landlord to show the Apartment to prospective subscribers during reasonable hours.
- (c) If the Resident moves before this Agreement ends, the Landlord may enter the Apartment to decorate, remodel, alter or otherwise prepare the unit for re-occupancy.

15. CORPORATE REGULATIONS

The Resident understands and will preserve and promote the principles of cooperative control, which are the purposes of the Landlord. The Resident agrees to abide by the Articles of Organization, By-Laws, Rules and Regulations of the Landlord and any subsequent amendments. The Articles of Organization and the By-Laws have been included in the package provided to the Resident with his or her membership subscription. The Rules and Regulations are attached to this Agreement as Attachment No. 1. The Landlord and Resident agree that any amendment will be reasonably related to the safety, care and cleanliness of Belmont Chambers, the safety, comfort and convenience of the Residents, the orderly and harmonious operation of the cooperative and the efficient management and administration of the housing.

The Landlord also agrees not to enforce any amendment until after written notice to the Resident.

16. TERMINATION BY RESIDENT

This Agreement may be terminated by the Resident at any time by a written notice to the Landlord at least four (4) months before the intended termination date, which date shall in

all cases be the first day of a given month. If the Resident does not give the full four (4) months notice, he or she shall be liable to the Landlord for the monthly carrying charges up to the end of the four (4) months for which the notice was required or to the date the Apartment is re-occupied, whichever comes first.

On or before the termination date, the Resident must also:

- a. endorse his or her stock certificate for transfer in blank and return it to the Cooperative; and
- b. pay all the amounts due the Landlord under this Agreement up to the termination date; and
- c. vacate and return the Apartment to the Landlord in as good condition as when received, normal wear and tear excepted; provided, however, that the Resident shall be liable to the Landlord for the cost or estimated cost of all deferred maintenance including painting, redecorating, floor finishing, and such repairs and replacements as are reasonably deemed necessary by the Cooperative to place the unit in suitable condition for another occupant.

Until all the steps stated above are completed, the Resident will still be liable to Landlord for the costs of the Apartment including the Monthly Carrying Costs and utilities. The Resident is also responsible for complying with the provisions in the By-Laws regarding the transfer of his or her stock in Belmont Chambers.

17. TERMINATION BY LANDLORD

This Agreement may be terminated by the Landlord upon one month's written notice, said termination date also being the first day of a given month, only if:

- (a) The resident has ceased to be the owner and legal holder of a membership in the Landlord. This happens when:
 - the Resident has transferred ownership of his or her stock in the Landlord; or
 - the Resident is declared bankrupt or

insolvent according to law; or

- the Resident's property is being assigned for the benefit of creditors; or
- the dwelling unit appears to be abandoned; or
- the Resident dies.

(b) The Resident has failed to comply with one or more provisions of this Agreement or of the By-laws or rules and regulations of the Landlord within a reasonable time after written notice of said noncompliance, which notice also cites the provisions relied upon.

(c) Notwithstanding the foregoing, the Landlord may terminate this Agreement upon one month's written notice, effective with the first day of any month, for purposes of offering the Residents a revised Occupancy Agreement.

Termination notices to the Resident from the Landlord must be sent by registered mail, return receipt requested to the Resident's address in Belmont Chambers.

All termination notices from the Landlord must:

- specify the date this Agreement is terminated;
- state the grounds for termination with enough detail for the Resident to prepare a defense;
- advise the Resident that he/she has ten (10) days within which to discuss the termination with the Landlord's representative. The 10-day period will begin on the date the notice is delivered or the day after the date the notice is mailed, whichever is earlier. If the Resident requests such a meeting, the Landlord will have its representatives discuss the termination with the Resident;

If the Resident does not request a meeting with Landlord's representative or if such a meeting does not produce a resolution of the matter which caused the Landlord to issue the termination notice that is satisfactory to the Landlord in its sole discretion, then the Landlord may in its sole discretion

pursue any and all legal remedies which are available to a landlord in the event that a Resident violates or threatens to violate a provision of his or her occupancy agreement. This legal action may include but need not be limited to seeking to evict a resident from an Apartment.

In the event of termination, the Resident's stock in the Landlord will be governed by the Articles of Organization and By-laws of the Landlord. In addition to the obligations imposed by the foregoing, the Resident shall also be liable for monthly carrying charges whether or not he/she continues to occupy for the four (4) months commencing with the first of the month following the date of the notice of termination or until the date the Apartment is reoccupied, whichever comes first, provided further, that the Resident shall be liable in any event for carrying charges for up to thirty (30) days following his or her vacating the unit or until the date the Apartment is reoccupied, whichever comes first.

With regard to termination of membership for cause, the retiring member shall be liable for the following items, among others, as provided in the By-Laws;

- (a) the cost or estimated cost of all deferred maintenance, including painting, redecorating, floor finishing, and such repairs and replacements as are reasonably deemed necessary by the Landlord to place the unit in suitable condition for another occupant; and
- (b) legal and other expenses incurred by the corporation in connection with the default of such member and the resale of the stock.

18. HAZARDS

The Resident shall not undertake, or permit his or her family or visitors to undertake any hazardous acts or do anything that will increase the insurance premium of Belmont Chambers. If the Apartment is damaged by fire, wind, or rain to the extent that it cannot be lived in, and the damage is not caused or made worse by the Resident, the Resident will be responsible for the Apartment only up to the date of the destruction. The Resident will have no additional responsibility for the Apartment until it has been repaired to a livable condition.

If the Landlord decides not to restore the Apartment, the

Landlord will determine the amount to be paid to the Resident to redeem his or her membership according to the By-Laws, but in no case more than the transfer value of the stock owned by the Resident.

The Resident agrees that the Landlord is not liable to the Resident for any damage to the Resident's belongings except when the damage is caused by the Landlord's negligence.

19. DISCRIMINATION PROHIBITED

Both the Resident and the Landlord agree not to discriminate based upon race, color, - religion, creed, national origin, sex, age, handicap, sexual preference, membership in a class, such as unmarried mothers or recipients of public assistance, or because there are children in the family.

20. SUBORDINATION CLAUSE

Because the Landlord will obtain funds from time to time by loan secured by one or more mortgages on its property this Agreement is subject to and subordinate to any and every mortgage and related agreement now or hereafter granted by the Landlord and its successors and assigns. The mortgage agreement(s) will supersede this Agreement in case there is any conflict.

The Resident hereby authorizes the Landlord to be the Resident's irrevocable attorney-in-fact to sign any document to subordinate this Agreement to any future mortgage or deed of trust.

21. CONTENTS OF THIS AGREEMENT

This Agreement and its Attachments make up the entire agreement between the Landlord and the Resident regarding the occupancy of the Apartment. No representations other than those contained in this Agreement, or the Articles and the By-Laws of the Cooperative, will be binding on the Landlord or the Cooperative. If any court declares a particular provision of this Agreement to be invalid or illegal, all other terms of this Agreement will remain in effect and both the Resident and the Landlord will continue to be bound by them.
